

Wayfinding/Signage PM @ Facebook

The Bridge Group, LLC has an opening for a Project Manager to oversee wayfinding and signage for Facebook on the East Coast and LATAM. Projects vary in scope, complexity and size. The position is based in New York but would involve regular visits to other Facebook sites.

Responsibilities will include:

1. Provide solutions/feedback to the creative agency who will be overseeing the signage vendor's design package and insuring compliance with standards
2. Oversee the wayfinding/signage installation and punchlist close-out; troubleshoot problems
3. Work closely with the Workplace Design team for any signage standards that need to be updated

Qualifications:

1. A leader who has demonstrated success managing large and complex projects
2. Strong project management background
3. Must have excellent computer skills
4. Excellent communication skills, both written and verbal
5. Detail oriented
6. Construction, architectural and/or signage experience preferred

Compensation:

1. Competitive salary
2. Health, Dental, Vision, Life coverage
3. Retirement plus company matching
4. Education reimbursement
5. Generous PTO policy
