

THE BRIDGE GROUP

CONSTRUCTION & PROJECT MANAGEMENT

The Bridge Group, LLC is a growing project management firm headquartered in San Francisco with offices in New York. We provide real estate consulting services as the owner's representative to lead commercial projects to success. Specializing in construction project management, move management and facilities consulting and administration services, we are expanding our team and need a multi-faceted and experienced project manager.

We continually gain recognition and awareness for our solid reputation and work in the industry. The Bridge Group is respected in the industry and partners with nationally and internationally recognized firms. Our diverse clients range from hi-tech headquarters and campus work, healthcare, biotech and non-profit work.

Opportunity

Ready to contribute to our success? Join The Bridge Group as our new Project Manager to act as an owner's representative for our clients and lead client construction projects. Projects vary in scope, complexity, and size. Our Project Managers are responsible for the overall coordination of the project from design through implementation, managing scope, budget, schedule, and all communications.

Responsibilities

- Manage and coordinate tenant improvement projects.
- Lead project meetings and document outcome.
- Manage architects, engineers, contractors, and vendors.
- Prepare project schedules and budget estimates.
- Control project quality and ensure compliance with client standards & governmental requirements.
- Review and approve proposals and invoices.
- Manage budget and control costs.
- Close out of the construction project and perform a post-analysis of the project. Be available for post client questions and project follow up details and questions.

Qualifications

A successful candidate is a leader who has demonstrated success managing large and complex projects. Must have excellent computer skills (Word, Excel, MS Project) and superior communication skills, both written and verbal. Ten years or more direct experience as an owner's representative is required. LEED AP and a degree in a related field (industrial engineering, construction management, and architecture) is a plus.

Compensation

- Competitive salary plus bonus
- Health, dental, vision and life insurance coverage
- Retirement plus company matching
- Generous PTO policy
- Education reimbursement
