Big Wins

Congratulations to our national data centers team, who led value engineering for a confidential technology client and saved our client over $700,000 through organizational standards development and reduced procurement times.

Out and About

1. Our national data centers team delivered a fantastic project for a client in Missouri.
2. Fun times seeing our Bay Area friends at NeoCon in Chicago!
3. We love getting together as a team and had a special guest appearance from Alyssa from our Los Angeles office!

Thank you!

Thank you to our valued clients and partners! It's our honor to be a part of the work you do.
